

Sustaining Humans and the Environment

Spend Winter Break in NEW ZEALAND

NR 3954/NR 5954 - 6 credit hours - Dec. 26, 2010 – Jan. 17, 2011

This 3.5-week, 6-credit experiential program uses the theme of sustainable development to explore the relationship between people and their natural environment in New Zealand an island nation with a unique natural heritage. See plants and animals that are unknown elsewhere in the world. Visit Maori culture sites! Explore glaciers, beaches, and the Southern Alps!
