

CAREER LIST FOR OUR ALUMNI

Below is a select listing of career positions that our graduates from the Department of Sustainable Biomaterials have taken. Please note that we have no way of keeping track of all our alumni, and in some cases individuals may have moved on to other career-track positions. The list below provides a sampling of the types of positions that our graduates receive depending on their interests and focus areas while getting their degrees at Virginia Tech.

Alumnus	Job Title and Place of Employment
